**Hyprop is a retail-focused REIT listed on the JSE. The company currently has interests in a R48 billion portfolio of shopping centres in South Africa, Eastern Europe and Sub-Saharan Africa.**

**Prospects**

The Group remains focused on achieving the strategic priorities set in 2019, the objective of which is to create a more defensive balance sheet and a base for sustainable long-term growth. The growth will emanate from the repositioned South African portfolio and the investments in Eastern Europe.

Hyprop’s guidance for the 2020 financial year remains unchanged from that provided in September 2019. The Group expects a reduction in distributable income for the year ending 30 June 2020 of approximately 10% to 13%.

This guidance is based on the following key assumptions:

- Forecast investment property income is based on contractual rental escalations, and market-related renewals;
- Appropriate allowances for vacancies and rent reversions have been incorporated into the forecast;
- No major corporate and tenant failures will occur;
- The impact of the Edcon rent reduction/share subscription until March 2021;
- No further deterioration in performance of the remaining Sub-Saharan Africa (S-SA) assets;
- The remaining S-SA assets will be disposed of by 31 December 2020 and the proceeds used to settle USD denominated debt;
- Earnings from offshore investments will not be materially impacted by exchange rate volatility or disruptions in the financial markets;
- Exchange rates (which have not been hedged) have been assumed at R15.00 and R16.50 to the US Dollar and Euro, respectively.

This guidance has not been reviewed or reported on by the Company’s auditors.

**Dividend**

**Payment of a cash dividend with the election to reinvest the cash dividend for additional shares in Hyprop (DRIP)**

A dividend of 308.73709 cents per share for the six months ended 31 December 2019 will be paid to shareholders, who will be entitled to elect to reinvest the net cash dividend in return for additional Hyprop shares through a DRIP.

All amounts raised from the DRIP will be utilised to strengthen the Group’s balance sheet and to reduce the LTV.

The board of directors of Hyprop may, in its discretion, withdraw the DRIP should market conditions warrant such action. Any such withdrawal will be communicated to shareholders prior to the release of the DRIP finalisation announcement on SENS, which will be released on SENS in due course.

A circular in this regard is in the process of being prepared and will be distributed to shareholders in due course. A detailed announcement relating to the dividend and the DRIP, including salient dates, the discount to the market price at which shareholders will be entitled to subscribe for additional Hyprop shares and the tax treatment of the dividend and the DRIP, will be released separately once the relevant regulatory approvals have been obtained and the circular has been published.
